

## Laws that Affect Start-up of a Business

## GETTING MY BUSINESS PLAN READY

Assume you are about to start a landscaping business with a friend. The business will be a partnership of the two founders with no additional employees.

1. What relevant laws and regulations might affect the start-up business?
2. What licenses must a small business, such as this, obtain?
3. How might legal counsel help assist you with this business venture?

Now, relate it to your business and address the same questions.

1. What relevant laws and regulations might affect the start-up business?
2. What licenses must a small business, such as this, obtain?
3. How might legal counsel help assist you with this business venture?
